Joe,

Congratulations on receiving the "Outstanding Teacher Award". It couldn't happen to a more dedicated or professional person. I was elated!

There have been many dedicated teachers in this district, but few were recognized or applauded, especially state wide.

I remember one, now I'm going back to the '30's. This woman, Edna Loomis, taught in Carbondale for many years. She left the district, joined the faculty at Central High in Scranton and I was fortunate to have been one of her students. I don't recall that she was ever awarded for her efforts, but
